

OPERATION: CUDDLES

Mission: To support owners struggling to care for their cats in these challenging times (Covid-19 financial crisis)

To flatten the curve of people having to give up the care of their beloved cats, it is a very stressful time for everyone and our cats offer us comfort & companionship, 'let's not make it worse by having to give them up if we have the option not to.'

We are running a campaign that can offer:

Food (to help owners with limited finances)

Vaccinations (to avoid any unnecessary illnesses)

Micro Chipping (to ensure cats can always be traced back to their owners at all times)

De-sexing vouchers (to de-sex cats to avoid further litters of kittens adding to the already overpopulated QT)

If you would like to contribute /donate towards: Food, de-sexing vouchers, vaccinations & microchips please contact QT CATs on qtcats2020@gmail.com or Andrea on 0226147755.
